TSMS Staff Appreciation Breakfast 1/13/17

Happy New Year!! Let's celebrate back to school with our monthly teacher appreciation breakfast on Friday, January 13th 2017!

If you can participate in bringing in one of the following items, this would make it a successful event.

Breakfast starts at 7:30am, please have all items brought to the front office by 7:15am on the 13th.

We currently have 35 staff members at TSMS.

Date: 01/13/2017 (Fri.)

Time: 7:30am - 9:00am EST

Location: TSMS Staff Lounge

TSMS MAKES THE LOCAL NEWS – TWICE!

To celebrate the excellent crop of kale in the TSMS garden, planted by students in October, and the completion of the 4 projects funded by the Lowe's Toolbox for Education Grant, Coach Vance and Mr Froemke organized two events that made the 5 o'clock news on WTXL ABC 27 and the Chronicle Section of the Tallahassee Democrat!

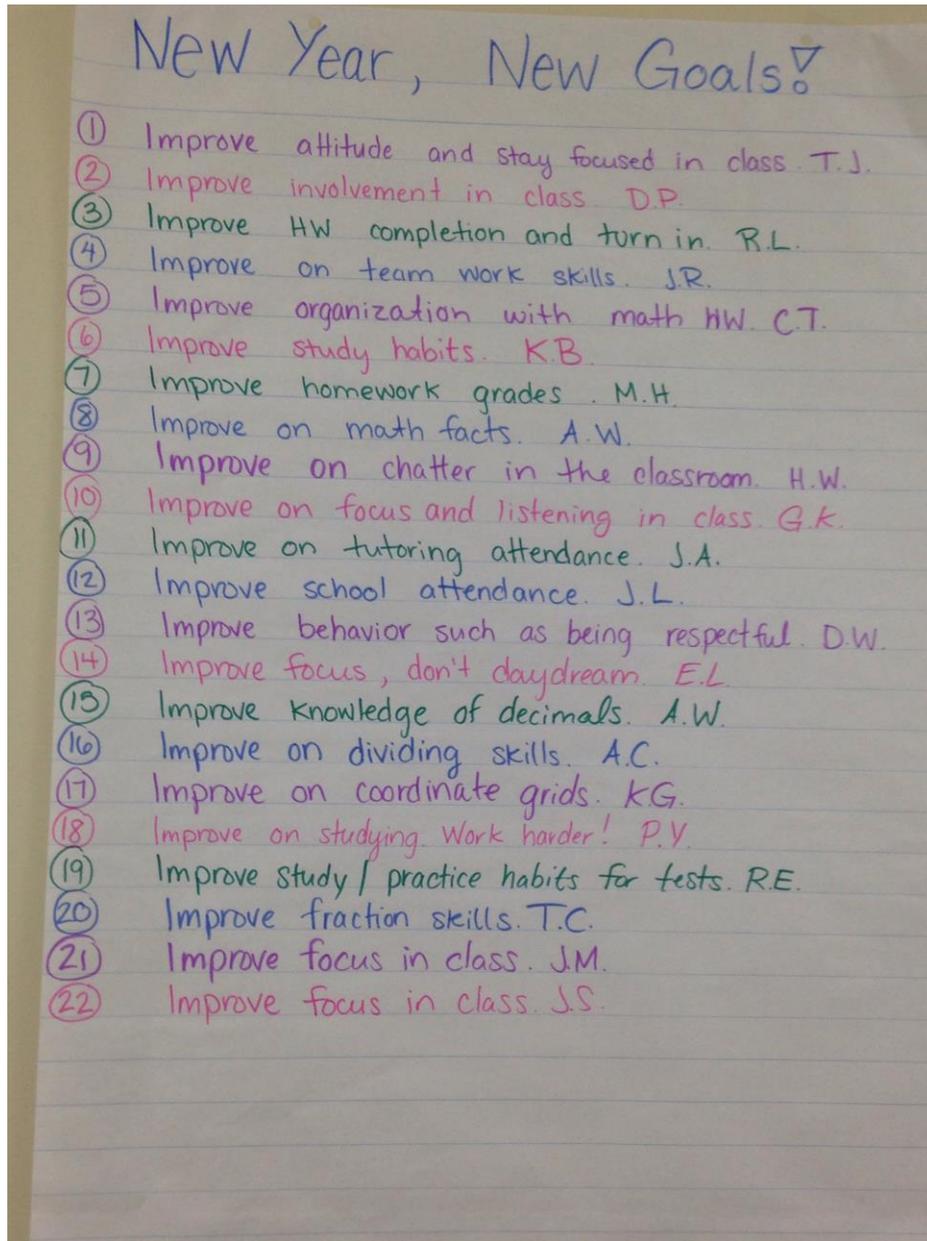

Partnering with Tiffany Torres from the UF/IFAS Leon County Extension Office, a Kale Taste Test was held on December 6th after harvesting the kale the day before. The kale was prepared 3 ways: Dehydrated with seasonings (i.e. chips), massaged with carrots and apples, and plain). Students were pleasantly surprised to find such a nutritious leafy green could be so tasty. Some of their comments were:

- "Can we do this every month?"

- “Honestly I thought this wasn’t going to be good, but it exceeded my expectations.”
- “This taste test made me like vegetables more.”
- “It tastes really fresh, it tastes really good.”
- “It’s pretty good, honestly.”
- “I need more of all three!”

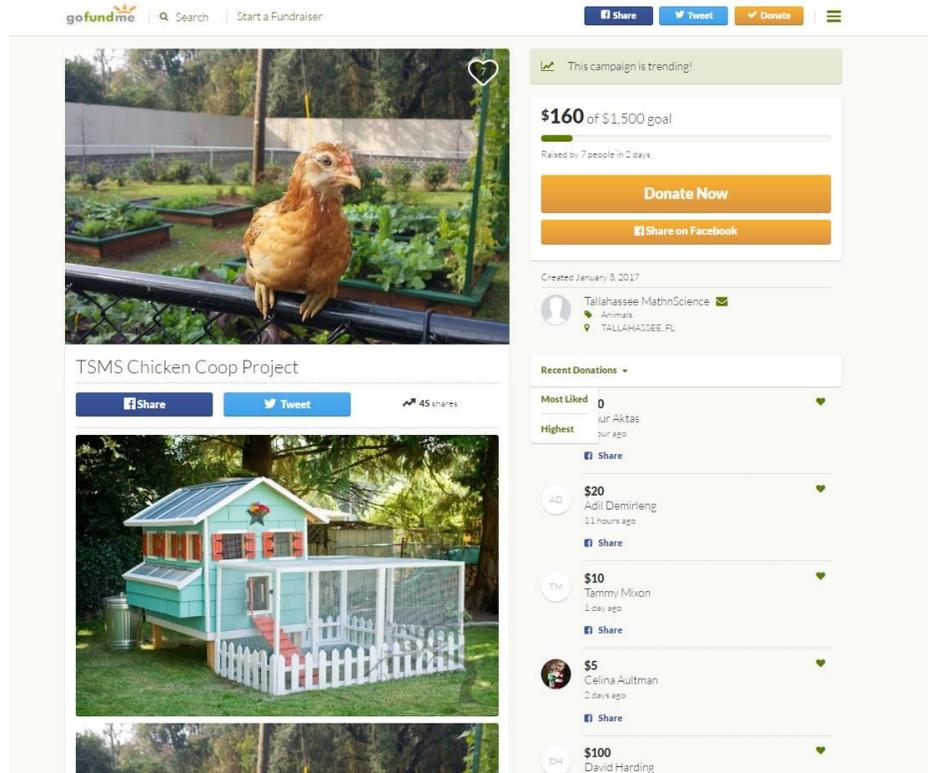

Ms Torres invited Blake Canter from Owen River Farm, who spoke to the students about what it’s like to be a local Urban Farmer. On the following day, Managers from the two local Lowe’s stores were invited for a Thank You, Lowe’s! photo op. This was the big finish to the grant, which has provided TSMS with an edible vegetable and butterfly garden, an outdoor classroom with cedar benches, and some general landscaping in the front of the main building. Once again: Thank you, Lowe’s!

"New Year, New Goals!"

4th and 5th grade math classes started the new year off ready to focus! With it being the new year you hear so many people say, "New year, new me". Instead, Ms. Priore decided that it's time for the classes to reflect on the first half of the year and identify goals for the second half of the year to finish the year strong and successfully. Each student chose a goal for "New Year, New Goals"! Throughout the second semester we will revisit the goals we set for ourselves and continue to strive for success!
