Dear Students and Parents,

Goodwill Industries – Big Bend is on a mission to see that no student in Leon County goes without adequate clothing. Please bring a bag back to your school filled with any of the following: gently used clothing, knick knacks, toys, sports equipment, jewelry, handbags, shoes, accessories and books to help stock the stores with great choices. Participating in the Goodwill Drive will help the school district to provide, assistance to students in need.

Our mission is to provide job training, education and employment to people with disabilities and other barriers to employment. Our goal is to help them to reach their fullest potential in supporting themselves and their families.

Goodwill is grateful for the continued partnership with Leon County Schools and together we can create a better community – students helping students!

Sweet Potato Harvesting at TSMS

Ms Priore's 4th grade class harvested the sweet potatoes they planted as 3rd graders last April in the TSMS vegetable garden. We had quite a crop!

Funded by a Lowe's Toolbox for Education Grant.

The Scientific Method!

Ms. Priore's 4th grade science classes have been finishing up their unit about the nature of science. One important part of science is scientific method. Students created a flip chart with the steps that are within scientific method. Students read about the steps and added the steps to their chart. This helped them prepare for their test and helped them review in a fun way!
